

Primary 1 Maths and Numeracy Home Learning Activities

<p>Think about what we have been doing in class. Were you last working on adding/subtraction within 5 or within 10?</p> <p>Make up 6 sums of your own. Decide if they are going to be adding or takeaway or a mixture of both.</p> <p>To help you count you could use 1p coins or sweets.</p> <p>You could do this each day that you are off.</p>	<p>Try some of these online games by clicking the following links.</p> <p>https://www.topmarks.co.uk/learning-to-count/underwater-counting</p> <p>https://www.topmarks.co.uk/learning-to-count/teddy-numbers</p> <p>https://www.themathsfactor.com/games/try/?gameid=46&prefix=ZONE&config=IPG_CM_Y1_CA_001,%20support&title=Count%20the%20Yeti%201%20to%2010</p> <p>You can play these games on more than one day whilst you are off.</p>	<p>Try some of the games set for you on on twinkl go.</p> <p>https://www.twinkl.co.uk/go</p> <p>XL6320</p>	<p>Print off some challenges from maths is fun by clicking on the link below.</p> <p>https://www.mathsisfun.com/worksheets/kindergarten.php</p>	<p>Ask mum or dad or whoever is looking after you if they can help you make a shop. Packets and cans from the cupboard would be perfect or some things from the recycle bin. Make price labels for your items. You could work with 1p and 2p coins and £1 and £2coins. Ask mum or dad to play shop with you or make up a shopping list for you to buy for them. Work on giving the exact money using as few coins as you can and on giving change.</p>
