1) Introduction by the Head Teacher

Dear Parent/Carer,

Welcome to Quarter Primary School which is one of 125 primary schools throughout South Lanarkshire Council.

At Quarter Primary we take great pride in ensuring that we offer a warm welcome to all pupils, parents, carers, and members of the local and wider community. We are very proud of our school and the range of learning opportunities and experiences we provide. Our children are at the heart of everything we do, and we aim to develop individual skills and talents.

We work together to provide a caring, positive, and stimulating environment where children actively engage in their learning journey. We encourage all our young people to develop as independent and cooperative learners by providing a breadth of learning experiences which offer appropriate support and challenge, allowing each child to develop to their full potential. Working in partnership with parents, our local and wider community we support our children in developing resilience and skills for learning, life, and work.

South Lanarkshire Council is the fifth largest authority in Scotland. It covers the following main areas; Clydesdale in the south which features extensive rural areas, Cambuslang, Rutherglen, Blantyre and Uddingston to the north as well as the towns of East Kilbride and Hamilton.

The Council's Plan Connect sets out the Council's vision which is, "to improve the quality of life for all within South Lanarkshire".

For Education Resources this means delivering services of the highest quality as well as striving to narrow the gap. It is about continually improving the services for everyone at the same time as giving priority to children, young people, families, and communities in most need. The priorities for schools and services are set out in the Education Resources Plan which confirms the commitment to provide better learning opportunities and outcomes for children and young people. This is available at Education Resources Plan 2025/26 Education and learning – South Lanarkshire Council

Our school values are embedded within our school community and all pupils and staff strive to be hardworking, safe, kind, inclusive and have fun.

I look forward to working in partnership with you to provide your child with the very best primary education.

Kind regards,

Sharon Bokas
Head Teacher

2) About our School

Quarter Primary School
Limekilnburn Road
Quarter
Hamilton
ML3 7XA
Phone: 01698 423345
Email: office@quarterpri.s-lanark.sch.uk
Website address: www.quarter-pri.s-lanark.sch.uk

Quarter Primary is a non-denomination primary school with a current roll of 73 children between the ages of 5 and 12. Our nursery class provides early learning and childcare for children between the ages of 3 and 5. The nursery session is 9.00am until 3.00pm. We currently have 20 children in our nursery class. The nursery has a maximum capacity of 22 children. The school does not provide teaching by means of Gaelic language.

Parents from any area may apply to attend the nursery class. To find out more about our nursery please contact the school office. It should be noted that if you register your child for nursery, it does not mean that they will automatically be enrolled at the school when they are ready to begin primary school. All children who move from early years to primary education must register for school in the month of January.

Primary school hours are:
9.00am – School Day begins
10.40am – 10.55am Interval
12.35pm – 1.20pm Lunch
3.00pm – School Day ends

Holiday dates for sessions 2025-2026 can be found at the end of this handbook.

Breakfast Club

Quarter Primary School's Breakfast Club is open from 8.15am – 8.45am Monday to Friday. Toast, cereal, milk & water are examples of what is available on the breakfast club menu.

After School Care

We do not operate an after-school care facility within the school but there are a number of after care and child-minding facilities available within the Hamilton area.

Additional Information

If any parent

- has concerns at any time about any aspect of their child's learning and progress or wishes to make a complaint, they should contact Mrs Sharon Bokas, Head Teacher, in order that the concern raised may be promptly addressed.
- has been offered or is seeking a place for their child at Quarter Primary School, they should also contact Mrs Sharon Bokas, Head Teacher, to arrange to visit the school.

Attendance at School

It is important for the school to work with parents in encouraging all children to attend school. All absences from school are required by law to be recorded. Absences will normally fall under two categories – authorised or unauthorised absence. In cases where your child is unable to attend school parents are asked:

- If you know in advance of any reason why your child is likely to be absent from school, please tell someone at the school, telephone us or let us know in writing. Please also give your child a note on his/her return to school, telling of the reason for absence.
- Notify the school first thing in the morning when your child is going to be absent. Let the school know the likely date of return and keep them informed if the date changes.

Please inform the school of any change to the following:

- home telephone number
- mobile number
- emergency contact details

If there is a need to take children out of school for any other reason other than sickness, a letter should be sent to the Head Teacher for authorisation.

3) School Ethos

We promote positive behaviour throughout the school, and teach our pupils not only the basic skills, but prepare them for life and to make a worthwhile contribution to the life and work of their community. We strive to ensure that all children, staff, and parents are involved in the creation of a positive school ethos which encourages good learning habits, provides high quality learning experiences, and celebrates personal achievement. This ethos is evident in our welcoming environment and our commitment to the establishment of positive relationships with our parents and the wider community.

School community links:

Quarter Parish Church of Scotland

Hamilton Drop In Centre

Asda

Hamilton Grammar

Strathaven Academy

Hamilton learning Community Primary Schools

Our pupils are offered a range of opportunities to lead initiatives, such as enterprise and eco events, and are given responsibility as house captains and junior house captains. We celebrate success under the four capacities of A Curriculum for Excellence – Responsible Citizens, Effective Contributors, Successful Learners, and Confident Individuals – at weekly assemblies through presentation of certificates and by displaying personal achievements. Our school values of safe, kind, hardworking, inclusive and fun are embedded in our school community. Some children have commented: 'I love Friday reward time and finding out who our class Quarter Code Cracker is.' 'I like learning – we learn in a fun way with lots of games. We like the playground games and making up our own games in the playground too.'

4) Staff List

Our current staffing complement is:

Head Teacher	Mrs Sharon Bokas
Acting Principal Teacher	Mrs Laura McWilliams
P1/2/3 Class Teachers	Mrs Laura McWilliams/Mrs Carrie O'Dowd Lavin
P3/4/5 Class Teachers	Mrs Morven Lander/Ms Louise Marko
P6/7 Class Teacher	Mr Tremble/Ms Louise Marko
Early Years Team Leader	Mrs Donna Stewart/Mrs Jamielee McIntosh
Early Years Worker	Mrs JamieLee McIntosh
Early Years Worker	Mrs Karen McCrimmond
Early Years Worker	Miss Chloe Sutherland
Early Years Worker	Mrs Naomi Abercrombie
Early Years Support Worker	Mrs Laura McGuinness
Specialist Support Teacher	Mrs Sandra Kelly
Educational Psychologist	Mr Paul McGill
School Office (Team Leader)	Mrs Denise Hart
School Support Assistants	Miss Alison Lowden, Mrs Lynda Barr, Mrs Catherine Moffat
Janitor	Mr Tom Leckenby
Cook in Charge	Mrs Helen Gallagher
Cleaning Assistant /Catering Assistant	Ms Jade Blythe
Cleaner	Ms Michelle McCord / Ms Laura Whiteman
Active Schools Coordinator	Miss Megan Glancy
Music Tutor	Mr Paul Devlin

5) Attendance

Encouraging School Attendance

We believe that regular school attendance is key to raising attainment and achievement. It's a shared responsibility among parents/carers and the school to emphasise the importance of attending school.

For your convenience, school holiday dates and in-service dates can be found on the council's website: www.southlanarkshire.gov.uk.

Every effort should be made to ensure that your child attends school during term time. Please contact the school as soon as possible if your child is unable to attend school. It is important for the school to work with parents/carers in encouraging children to attend school. All absences are required by law to be recorded. Absences will normally fall under two categories – authorised or unauthorised absence. In cases where your child is unable to attend school parents are asked to:

If your child is unable to attend school, you are asked to let us know by 8.30am on the first day of absence. Please contact the school office on 01698 423345

If you know your child has a hospital/dental appointment, please let us know in advance.

Requests for your child to be absent from school to make an extended visit to relatives either in the UK or overseas must be made in writing to the head teacher, detailing the reason, destination

and duration of absence and arrangements for their continuing education. On these occasions the pupil will be marked as an unauthorised absence.

Parents may request that their children be permitted to be absent to celebrate recognised religious events. Advance notice should be provided to the school when children will be absent. Appropriate requests will be granted, and the pupil noted as an authorised absentee in the register. (See section 7).

Family Holidays During Term Time

Family holidays taken during school term time will be recorded as unauthorised absences in line with Scottish Government and South Lanarkshire Council policy. The school is not required to provide work during this period, and parents are asked to avoid arranging holidays that disrupt their child's learning.

Emergency Information

We strive to keep the school open during term-time. However, there may be instances such as severe weather or power failures that could affect the school day. In such cases, we will inform you as soon as possible through text messages and our social media channels.

Severe Weather Protocol

In the event of severe weather like snow or heavy frost, if the school cannot open at the usual time, we will delay the start until 10 am. Notifications will be posted on social media and the council's website.

Communication

The Council's website, www.southlanarkshire.gov.uk, will provide updates on school closures or delays including further information about the next school day.

Things we need you to do:

- It is important for parents/carers to let the school know of any change to your mobile/home phone number and change of address.
- If for any reason, you are unsure if the school is open visit the website at www.southlanarkshire.gov.uk or email: education@southlanarkshire.gov.uk

6) Parental Involvement/Parent Council

Parents and carers play a vital role in their child's learning. Research shows that when families are involved, children do better at school and beyond. South Lanarkshire Council values parents as partners and works closely with schools to make this happen.

Why Parental Involvement Matters

- Strong partnerships help schools understand children's needs and help parents feel informed and supported.
- Parents can reinforce learning at home, making schoolwork more meaningful and connected to everyday life
- Parental involvement can help children develop a love of learning and resilience when facing challenges
- When parents work with school and take an interest in learning, children often achieve more academically and feel more confident.

Our Commitment

We want parents and carers to:

- Feel welcome and involved in school life.
- Be well informed about their child's learning.
- Have opportunities to support learning at home.
- Share views and take part in discussions about education.

Parent Forum and Parent Council

- Every parent with a child at school is part of the Parent Forum.
- Each school has a Parent Council, a formal group that represents parents' views and works with the school to improve learning and experiences.

Connect – Supporting Parent Councils

All Parent Councils in South Lanarkshire are members of Connect, Scotland's national organisation for parent groups. Connect offers:

- Free training and advice for Parent Councils.
- Resources and guides to help parents support learning.
- Insurance cover for Parent Council activities. Find out more at <https://www.connect.scot>.

Other Helpful Resources

- Parentzone Scotland – Practical advice and information about learning, additional support needs, and how to get involved: [Parentzone Scotland | Education Scotland](https://www.parentzone.scot)
- National Parent Forum of Scotland – Guidance and updates for parents: <https://www.npfs.org.uk>.

Getting Involved

Interested in joining the Parent Council or helping in school? Contact your school office or visit the Council website for details.

7)The Curriculum

Curriculum for Excellence is the name given to the curriculum in Scotland for all children and young people aged 3-18. It is forward looking, coherent, flexible and an enriched curriculum that provides young people with opportunities to engage with the knowledge, skills, and attributes they will need to flourish in life, learning and work.

The curriculum places learners at the heart of education and at its centre are four fundamental capacities - successful learners, confident individuals, responsible citizens, and effective contributors. It includes all the experiences that are planned for children and young people to support the development of their skills, wherever they are being educated, for example in the family and community, pre-school centre, nursery, and school.

In taking this forward our school will work closely with South Lanarkshire Education Resources and other services to enrich the curriculum, to provide the best possible education for all children and young people. We wish you to feel confident that your child is encouraged and supported to develop their literacy, numeracy and other skills whilst they attend our school. The curricular areas are as follows:

- Expressive arts
- Languages and literacy
- Health and wellbeing
- Mathematics and numeracy
- Religious and moral education
- Science
- Social studies
- Technologies

If you want to know more about Curriculum for Excellence, please visit [Scotland's Curriculum for Excellence \(scotlandscurriculum.scot\)](http://Scotland's Curriculum for Excellence (scotlandscurriculum.scot))

Our learning and teaching activities are based on the outcomes and experiences in the guidelines that all schools have for Curriculum for Excellence.

Level	Stage
Early	The pre-school years and Primary 1 or later for some.
First	To the end of Primary 4, but earlier or later for some.
Second	To the end of Primary 7, but earlier or later for some.

Spiritual, social, moral, and cultural values (religious observance)

- contributes greatly to the Quarter ethos and provides opportunities for the school to come together as a community
- is a valid educational experience potentially involving the whole school and the wider local community

Scottish Government Ministers consider that religious observance complements religious education and is an important contribution to pupils' development. It should also have a role in promoting the ethos of a school by bringing all pupils together and creating a sense of community. Parents may request that their children be permitted to be absent to celebrate recognised religious events. Advance notice should be provided to the school when children will be absent. Appropriate requests will be granted, and the pupil noted as an authorised absentee in the register.

For Roman Catholic Schools

In a letter of guidance issued by the Scottish Government in February 2011, it is acknowledged that Catholic schools take a distinctive approach to the provision of Religious Observance:

Scottish Government Ministers welcome the tradition that, in Roman Catholic denominational schools, Catholic Liturgy will largely shape the nature and frequency of religious observance activities in the classroom and in the wider school community. So, at times, children and young

people will be invited to participate in, and sometimes to lead, prayer and reflection in classrooms and at assemblies. At other times, to honour particular occasions or feasts, chaplains will lead school communities in the celebration of Mass and other forms of liturgical celebration.

8)Assessment and tracking progress

Quarter's arrangements and approaches for tracking and assessing pupils' progress and planning their future learning, involves us gathering, reflecting upon, and evaluating both summative and formative evidence of our children's learning. This enables our staff to check on learner's progress and establish and support next steps.

Pupils are regularly encouraged to use Assessment for Learning, to self and peer assess their work, as well as set future targets. Our Headteacher and all staff monitor and regularly track the progress children are making. Individual assessments are also undertaken to help diagnose gaps in learning or to support children with their personal next steps. These can include reading and spelling age assessments and PUMA assessments for numeracy.

Our Primary 1,4 and 7 children all complete the Scottish National Standardised Assessments on aspects of reading, writing and numeracy. The online assessments are specifically designed. If a child is having trouble, the questions will get easier, and if a child is doing well, the questions will become more challenging. There is no

pass or fail. The assessments are as short as possible and are age and stage appropriate. There is no time limit, and the children will not need to complete all the assessments at once. Children's progress in literacy and numeracy, are updated and tracked termly.

Our Headteacher will discuss, monitor, and evaluate this information with teaching staff. We want to share with you on how your child's learning is progressing. We

do this through, parental phone calls, parental meetings, report cards, and Open Events

9)Reporting

Quarter Primary School recognises that good teamwork between parents, children and school is the key to a successful education for your child. Reporting will be ongoing and comprise of a range of activities that can include children presenting their learning, through newsletters, open mornings, learning journals and ongoing oral discussions. We will provide parents with reports so that you can see what your child is doing and how they are developing. In addition, there will be parents' meetings, which offer you the opportunity to discuss how your child is progressing.

The school will offer you an appointment time so that you can visit in person. Our learner reports will outline your child's strengths, achievements, and areas for development, enabling you to provide encouragement and support. We welcome any comments or additional information from parents to help us provide the best possible education for your child.

10) Enrolment and Transitions

Enrolment – how to register your child for school.

To register your child for school you should complete our online registration form. This can be done using the South Lanarkshire website.

www.southlanarkshire.gov.uk/info/200186/primary_school_information/392/enrolling_your_child_for_school

If you have any difficulty in identifying your catchment school, please email Edsuppserv.helpline@southlanarkshire.gov.uk

The online registration form will ask you to provide each child's full birth certificate and two pieces of recent official documentation both containing your permanent home address for example a utility bill, council tax statement, housing rent card, child benefit documentation.

Proof of where the child lives may also be needed.

If your child is due to start school in August 2026, you can enrol online from Monday 5 January 2026. Your catchment school will contact you between Monday 12 and Friday 16 January 2026 to confirm your enrolment.

If your child is due to start school in August 2026, you can enrol online from Monday 6 January 2026. Your catchment school will contact you between Monday 13 to Friday 17 January 2026 to confirm your enrolment.

If your child attends the nursery of your catchment school, please do not assume that they will automatically be transferred. You must register them as normal at the school that is in the catchment area for your home address.

If parents want their child to go to another school, they must enrol in the first instance with their catchment school and intimate that they wish to make a placing request. An online placing request form should then be completed. This is available from the SLC website – www.southlanarkshire.gov.uk or by contacting edsuppserv.helpline@southlanarkshire.gov.uk or phone **0303 123 1023**.

Change of School/Placing Request

Normally children attend the school in their catchment area. However, there are times when parents may wish their children to go to other schools. If you wish your child to go to another school, then you may make what is known as a 'placing request'. If you live in South Lanarkshire and decide to submit a 'placing request', we are unable to reserve a place in your catchment school until the Council have made a decision on the 'placing request'. Please note if your 'placing request' application is unsuccessful and all places at your catchment school are filled you will be offered a place at the next nearest appropriate South Lanarkshire School.

Please note that if an application for a 'placing request' is successful then school transport is not provided.

If you move outwith your catchment primary school a 'request to remain form' must be completed. If you move outwith your catchment primary, this may affect your right to transfer to the associated Secondary School. Please note the secondary school is determined by the pupil's permanent home address and chosen denomination. If you require further information, please

contact Education Support Services on edsuppserv.helpline@southlanarkshire.gov.uk or **0303 123 1023**.

Transition from primary to secondary school

Pupils normally transfer from primary to secondary school between the ages of 11½ and 12½, so that they will have the opportunity to complete at least 4 years of secondary education. Arrangements are made by the school to transfer children to the associated secondary school as determined by their home address. Parents of P7 children will be informed of the transfer arrangements made for their child to attend secondary school.

We will also provide you with information at this time on events designed to support P7 children before they move on to secondary school.

11) Support for Pupils

Getting it right for every child.

Getting it right for every child (GIRFEC) supports families by making sure children and young people can receive the right help, at the right time, from the right people. The aim is to help them to grow up feeling loved, safe, and respected so that they can realise their full potential.

Most children and young people get all the help and support they need from their parent(s), wider family, and community but sometimes, perhaps unexpectedly, they may need a bit of extra help. GIRFEC is a way for families to work in partnership with people who can support them, such as teachers.

If you have any concerns about your child's wellbeing, you can speak to the named person who will work with you to provide support and decide how to move forward. Your school will let you know who this is. It is likely to be the Head Teacher in a primary school and a principal teacher (pupil support) in Secondary. More information can be found on:

www.scotland.gov.uk/gettingitright

Support for All (Additional Support Needs)

The Head Teacher, Mrs Bokas is responsible for co-ordinating Support for Learning in our school. In Quarter, we operate a process of staged intervention in the identification, assessment and support for the learning needs of our children.

Stage 1 and 2: Intervention within class/school

Personnel involved in this stage would include class teachers, parents, school support assistants, Head Teacher. Additional resources appropriate to individual needs would be investigated and included in programmes where necessary.

Stage 3: Intervention from education services out with school.

At this stage, the support and advice of a range of specialist professionals may include Specialist Support Services Teacher, Educational Psychologist, Behaviour Support and E.A.L. teachers. If appropriate, an Additional Support Plan would be written at this stage, indicating both long and short-term targets in the area(s) of difficulty.

Stage 4: Multi - Agency Intervention

The Head Teacher would co-ordinate the involvement, where appropriate, of one or more of the agencies.

South Lanarkshire Education Resources have published a series of leaflets available, which cover information for parents and carers about the Additional Support for Learning Acts. These are available through the school or on the South Lanarkshire Council website www.southlanarkshire.gov.uk

Enquire – the Scottish advice service for additional support for learning

Enquire is funded by the Scottish Government to provide information on the framework for supporting children who require additional support for learning and to encourage positive partnerships between families, schools, and local authorities to ensure children get the right support.

Enquire offers independent, confidential advice and information on additional support for learning through:

Phone Helpline: 0345 123 2303

Address: Enquire
Children in Scotland
Rosebery House
9 Haymarket Terrace
Edinburgh
EH12 5EZ

Email Enquiry service: info@enquire.org.uk

Advice and information are also available at www.enquire.org.uk

Enquire provides a range of clear and easy-to-read guides and fact sheets including the parents' guide to additional support for learning.

If you would like to order our leaflets, postcards or guides to share with parents and carers of pupils in your school, please contact us on info@enquire.org.uk

Attachment Strategy for Education Resources

Attachment – what we do to support children and young people

South Lanarkshire Council Education Resources is committed to improving outcomes for children and young people by creating emotionally supportive learning experiences in our nurseries and schools.

The Education Resources Attachment Strategy supports the action in the 'Getting it Right for Every Child in South Lanarkshire's Children Services Plan 2021-23', following the launch of the Attachment Strategy in 2020, to provide staff training in Attachment and Trauma based practice.

What does it set out to do?

The aim of the strategy is to promote better experiences of attachment for South Lanarkshire's children and young people and to ensure that all education practitioners understand the

importance of attachment theory and its application and how positive relationships can make a difference to outcomes.

How can I find out more?

South Lanarkshire Council Education Resources have published a series of leaflets and posters for establishments and for parents/carers which aim to share information on attachment theory and on how this informs the ways in which we support children and young people.

These are available in schools and on the SLC Staff Learning Centre Sway accessible by teachers and staff.

Promoting Positive Relationships and Understanding Distressed Behaviour (PPRUDB)

PPRUDB is South Lanarkshire's framework for understanding and managing behaviour in schools. It emphasises that all behaviour is a form of communication, often indicating unmet needs, and stresses the importance of building positive relationships as a fundamental skill for teachers and a preventive approach to distressed behaviour. The guidance aligns with key Scottish Government policies and legislation and supports the development of safe, inclusive, and nurturing school environments.

Children and young people who feel safe, healthy, respected, and included are more likely to develop self-confidence and resilience. South Lanarkshire Council's attachment-informed, trauma-sensitive approach, aims to create a secure base and safe haven to reduce the impact of adverse childhood experiences. School staff recognise that distressed behaviour can stem from disrupted attachment, anxiety, and other complex needs, including neurodevelopmental conditions and limited communication skills.

When incidents of distressed behaviour arise in schools, staff will use a range of strategies to de-escalate situations and prevent re-occurrence. Strategies include structuring the environment with consistent routines and quiet areas, adapting communication to accommodate speech and sensory needs, and building positive relationships based on shared values. Setting clear limits with dignity, active listening, and inclusive teaching practices support behaviour management. Planning for transitions and using support plans like Additional Support Plans (ASPs) and Behaviour Assessment and Support Plans (BASPs) assist in addressing individual needs.

Each educational establishment should use the PPRUDB framework to develop and implement a relationships and behaviour policy through consultation with staff, pupils, and parents, reviewing it every three years.

Further information is available from the Headteacher of the establishment your child attends.

12) School Improvement

Our School Improvement Plan outlines the priorities in maintaining our high standards and sets out priorities for future developments. Plans are discussed with our Parent Council each session. These are available for parents from the school office or our website. A Standards and Quality Report is compiled towards the end of each session. This report outlines the main achievements of the school over the last 12 months and a copy of this can also be found on the school website.

Education Scotland Inspectors visited Quarter Primary and Nursery Class in April 2023. The outcome was positive and we received the grades below.

School

2.3 Teaching, Learning and Assessment – Good
3.2 Raising Attainment and Achievement – Good

Nursery

2.3 Teaching, Learning and Assessment - Good
3.2 Securing Children's Progress – Good

Main Achievements of 2024-25

Skills/Inquiry Learning

We have made some good progress using the Skills Framework across the school and nursery. HT observations show that almost all teachers are introducing skills learning in their Maths and Literacy learning. This is evident during the introduction of lessons and during some digital presentations where the skills symbols have been included to discuss with the children.

The Acting PT planned a focus on the 4 capacities during assemblies. Almost all children were able to discuss examples of the skills they would use in Literacy and Maths.

During CAT sessions with SLC Inquiry Development Officer, all staff planned their first Inquiry with their class. All staff included the skills that would be covered in their Inquiry last term. This was added to our updated Inquiry/IDL existing planner along with UNCRC.

CIRCLE Framework

We have made very good progress using the CIRCLE Framework in all of our classes. During CAT Nights and INSET days, we evaluated the physical and social areas of the classroom and structures and routines using the CICS to identify how we could make our classrooms, nursery and open areas more inclusive. Teaching staff and support staff worked collaboratively during the year to identify areas for improvement and how this can impact on children's learning.

From this evaluation, there are now individual workstations in each class. This can be either using a privacy screen or an area identified in the classroom. All staff agree that this is used regularly from some pupils and children are asking to use these daily. Resources such as wobble cushions, wobble stools, ear defenders and fidget toys are available for all children to use when they need it. Almost all children are more focused and calmer when using these. It gives pupils more confidence to complete their tasks where they feel comfortable and is less disruptive.

All classrooms and open areas were de-cluttered, with only essential resources out on display, to create clear surfaces and working areas for children to use. Teachers considered the environmental print on display to ensure it was helpful to learners, such as visual timetables and resource labels.

In each class there is a calming down area with cushions and soft furnishings if pupils wish to take brain breaks and time out if they are feeling overwhelmed. In some cases, this is the class

cloakrooms which are being used as quiet areas. All staff feel that this has had a positive impact on pupils who feel overwhelmed in a busy class.

All teachers have worked to develop consistent structures and routines in all classes, including sharing of learning intentions and building success criteria with learners. This consistent approach ensures almost all learners can confidently talk about their learning and identify next steps. Across the whole school, a standard timetable is followed for items such as PE and assembly, and within classes a weekly timetable is followed. All children can anticipate and prepare for what their day/week will look like as routines become predictable through repetition. This is supported with visual timetables within classes.

During tracking and monitoring meetings with HT all staff discuss the individual children who have ASN and the strategies they are using from the CIRCLE Framework in the planned learning. Some pupils now have regular brain breaks and take a timer to walk around the school. Parents also feedback that this has improved focus and attention greatly. HT observations also show that children are using positive language with their peers and support the use of inclusive practices.

The Specialist Support teacher and some class teachers have used the CIRCLE Participation scale with pupils in our school. This gave us strong evidence of areas that the pupils were finding challenging and planning through ASPs and BASPs was changed to provide more support and appropriate interventions during teaching and learning time.

UNCRC

Each class and nursery created their own charter and collaborated on the rights that were most important to them. The following criteria was used below to ensure all children. Article of the month is displayed next to the charters with a child friendly version of the UNCRC. Staff evaluations show that this has helped the children to discuss the articles using language they understand.

- Child friendly description of rights (linked to specific articles from the CRC) - without losing the true meaning of the article being referenced.
- Actions for children to respect the rights of others and themselves.
- Actions for adults as duty bearers to ensure that rights are being upheld and respected.

HT introduced RRS during Parent Council meeting at the start of term to introduce the types of learning taking place. All PC parents found this informative, and feedback of the event was very good.

Our RRSA steering group, in consultation with all pupils created our playground charter which is displayed outside. Support staff and most pupils refer to these when we have incidents in the playground and looking for a restorative approach.

HT planned a whole school and nursery rights of the week planner for the full school year where all children learn about the articles, what they mean and the impact of these in their lives. Almost all children could discuss the articles they were learning about and relate to their own life experiences or share their knowledge. All Teaching staff and Early Years staff have included the articles in their planning for IDL/Inquiry learning. HT and RRS steering group delivered assemblies to share knowledge of the articles and how they affect people in other countries. All pupils received 'my pocketbook of rights' to learn more about the rights.

School Improvement Priorities 2025-26

Strategic Priority	Year 3
1.	Embark on Improving Our Writing (SLC) with a view to raising attainment in writing.
2.	Develop Inquiry-based learning across the school with a focus on The Skills Framework.
3.	Nursery- Improving Learning across the Curriculum, developing inside and outside environments.

13) School policies and practical information

School/Nursery Meals

Nursery class

All children (over two years old) attending a local authority nursery will be provided with a free lunch. In addition, if your child attends long mornings or afternoons e.g., over 4 hours 30 minutes they will be provided with a 'brunch' or 'afternoon tea'.

Nursery lunches and snacks are based on nutritional requirements from the NHS "Setting the Table" guidance.

Nursery age children will also receive milk and a healthy snack free of charge under the Milk and Healthy Snack scheme 2021. This will be provided by the establishment.

Primary pupils

Healthy eating is something that the school supports, and a range of meals are available at lunchtime that meet the Nutritional Requirements for Food and Drink in Schools (Scotland) Regulations 2020.

All primary schools run a Breakfast service from 8.15am to 8.45am with pupils being offered a selection of toast, cereal or fruit along with a cup of milk.

For their lunch each day pupils have the option to choose from two hot meal options (one being vegetarian option) plus a sandwich selection every day. All meals also come with fresh chilled drinking water, vegetable selection, salad selection, seasonal fruit and depending on the day - soup or a dessert.

Milk will be available for those pupils entitled to free school meals through the free school meal eligibility scheme at morning break or lunchtime.

Pupils in:

Primary 1 - 5 receive a free school lunch.

Primary 6 - 7 meal cost is £2.62

School lunches and milk can be paid for through your Parentpay account or Paypoint facilities in local shops.

NB School Meal prices are reviewed annually and may be subject to change

Adapted diets

If your child within Nursery, Primary or Secondary requires an adapted diet for medical reasons please speak to the school/nursery office who will provide the request form for you to complete. In addition, if you have a halal or vegan diet request for your child, please speak to the school office who will provide you with a request form.

Free School Meals

Children of parents who receive the following benefits are entitled to a free lunchtime meal for their child:

- Income Support
- Income-based Job Seeker's Allowance
- Income-based Employment and Support Allowance
- Scottish Child Payment (P6 and P7 pupils)
- Support under Part VI of the Immigration and Asylum Act 1999
- Universal Credit (and your earned income is less than £850 as assessed by the Department for Work and Pensions in the assessment period immediately preceding the application for free school meals)

If you are in receipt of Housing Benefit and/or Council Tax Reduction from us there is no need for you to apply online, we will use the information we hold to automatically award free school meals (P6 to S6) and/or school clothing grants (P1 to S6) to eligible families.

We would encourage parents of children who are in receipt of any of the above benefits to take up this opportunity of having a meal provided for their child when they are at school. Arrangements are in place to ensure anonymity is protected of children who receive free meals, and we encourage all children to remain in school at lunch time.

Further information can be found at [Free school meals - South Lanarkshire Council](#) or by accessing the QR below -

South Lanarkshire Council

We ask all parents/carers to support the school by encouraging your child(ren) to adhere to the agreed dress code and the wearing of our school uniform. The wearing of a school uniform helps promote the identity of the school in the local community and helps create an ethos of sharing and pride in the school.

In addition, the wearing of a uniform helps towards increasing the protection of all pupils. The wearing of a uniform helps staff and the pupils to distinguish between who belongs to the school and those who may be visitors. This enables staff to approach and identify visitors more readily and helps in trying to offer a safer environment for pupils and teachers alike.

Equality of opportunity is an important aspect of the life of the school. Any proposals on the dress code and on what constitutes the school uniform will be the subject of discussion with the Parent Council and where appropriate consultation with parents, pupils and staff.

There are forms of dress which are unacceptable in all schools such as:
the wearing of football colours

- clothing with slogans that may cause offence (anti-religious, symbolism or political slogans)
- clothing which advertises alcohol, tobacco, or drugs
- clothing which can be deemed unsuitable in terms of health and safety grounds such as shell suits, combat style clothing, dangling earrings, loose fitting clothes particularly in practical classes.
- articles of clothing that could be deemed to inflict damage on other pupils or be used by others to do so.
- footwear that may damage flooring.

Allergies

Many children in our schools have allergies, and it is crucial for parents to keep the school informed about these conditions.

Health Care Plans

- Allergies can manifest at any time with symptoms ranging from mild to severe.
- Children with moderate to severe allergies often have a Health Care Plan from the NHS, detailing symptoms and interventions.
- Parents must share this plan with the school and provide updates as necessary.

Mild Symptoms

- Even without a Health Care Plan, parents should regularly update the school on any new triggers, medications, or actions required.

Employee Training

- School staff need to know your child's symptoms, treatments, and actions required to prevent exposure and minimise the risk of reactions.
- Employees receive training on allergies and will consult with parents and the NHS for any additional specialist training needed.

Policy Adherence

- In supporting children and young people with allergies, school staff will follow South Lanarkshire Council's Safe Systems of Work, risk assessment process, and national guidance on the administration of medicines.

Mobile Device Policy

Our school follows South Lanarkshire Council guidance on mobile device use, which is rooted in Scottish Government policy. Mobile technology can support learning and communication, but it can also disrupt lessons and affect wellbeing if misused. To maintain a safe, respectful, and inclusive learning environment, pupils are expected to use mobile devices responsibly and in line with school rules.

Devices should not be used during class unless specifically permitted for learning purposes.

The policy has been developed in consultation with pupils, parents, and staff to balance the benefits of technology with the need to minimise distractions and protect privacy. We ask parents to support this approach by reinforcing responsible use at home and ensuring that devices are used appropriately.

Support for parent/carers

Clothing grant

In certain circumstances the Council provides support to parents/carers for the purchase of school wear. This also now includes nursery children aged 3 and 4 years old.

Eligibility criteria and online applications can be found www.southlanarkshire.gov.uk.
Or via this link [Clothing grants - South Lanarkshire Council](#)

Should you require further information, or you are unable to submit an application online then please contact the helpline number **0303 123 1011** (option 5).

School hours/holiday dates (included at back of handbook)

Primary school hours are:

9.00am School Day begins
10.40am – 10.55am Interval
12.35pm – 1.20pm Lunch
3.00pm School Day ends

Nursery hours are: 9.00am – 3.00pm

School holiday dates and in-service dates are available from the website
www.southlanarkshire.gov.uk

School transport

South Lanarkshire Council's mainstream school transport policy provides transport for primary school pupils who live one mile or more from their catchment primary school by the shortest safe walking route.

More details on school transport can be found at the following link including the online application form:

https://www.southlanarkshire.gov.uk/info/200186/primary_school_information/545/school_transport

If you consider your child to be eligible you should complete the online application form. Forms should be submitted before the end of March for those pupils starting school in August to enable the appropriate arrangements to be made.

A privilege transport scheme is operated on mainstream school contracts where a pupil is not entitled to school transport. Privilege Transport will only be provided where there is a space on an existing school contract and will be from and to designated pick-up and drop-off points. It will not be provided where a service bus is used on the school run. Any spare capacity will be allocated using agreed priorities. A new application must be made each year.

More details on Privilege school transport may be found here:

https://www.southlanarkshire.gov.uk/info/200186/primary_school_information/784/privilege_transport_to_school

Pick-up points

Where school transport is provided it may be necessary for pupils to walk a certain distance to the vehicle pick-up point. Walking distance in total, including the distance from home to the pick-up point and from the drop-off point to the school in any one direction, will not exceed the authority's distance limit for school transport.

It should be noted that it is the parent's responsibility to ensure their child behaves in a safe and acceptable manner while travelling in, and alighting from, the vehicle. Misbehaviour can result in your child losing the right to school transport.

Parents are asked to note that South Lanarkshire Council does not provide transport for those pupils who attend school via a placing request.

Mainstream School Transport contact details:
e-mail: school_transport@southlanarkshire.gov.uk
tel: 0303 123 1023

Insurance for Pupils' Personal Effects

South Lanarkshire Council has noted an increase in claims for loss or damage to pupils' clothing and personal effects. Please be aware of the Council's insurance policy regarding pupils' personal items:

Insurance for Pupils' Personal Belongings

Personal Items

- The Council cannot accept responsibility for the loss or theft of personal belongings, including mobile phones, tablets, or other valuables. These are brought to school at the pupil's and parents' own risk.
- To reduce the chance of loss, please avoid sending expensive or unnecessary items to school.
- School staff are not permitted to look after pupils' personal belongings.
- This policy also applies to musical instruments and equipment used for school activities. If these items are left at school, it is at the pupil's and parents' own risk.
- For valuable items such as musical instruments, parents should make sure they are covered by their own household insurance.

Clothing

- The Council will only consider claims for damage to pupils' clothing if the damage was caused by negligence on the part of the Council or its employees.
- Claims for any other reason cannot be accepted by the Council's insurers.

Promoting positive behaviour

It is the responsibility of staff within the school to ensure that parent council members, parents and pupils are involved in the creation of a positive school ethos that encourages good behaviour. Equally, the school whilst trying to promote positive behaviour must support young people should incidents or bullying occur. Parents have a significant role to play in working with the school so that teachers, parents, and pupils know what is expected of them in trying to change the behaviour and attitudes that contribute to bullying behaviour.

Our approach is to create an environment where better behaviour will encourage better learning. The school, along with the support of parents, can work together to create a learning environment which young people can enjoy and feel safe.

Incidents of bullying should be reported to the school immediately so that each alleged incident can be looked at. Together we can work towards creating a safer school for children and staff.

In addition, a guideline (Promoting Positive Relationships and Behaviour) has been produced to support all teaching and support staff and inform them of their roles and responsibilities in respect of dealing with the small number of children and young people who display challenging behaviour. Early identification is crucial so that intervention can be provided to support children and young people to help them address their issues and concerns. Staff training is provided to

help develop the skills needed to respond to and manage challenging behaviour. A wide range of appropriate staff development opportunities has been developed for this purpose.

Child Protection

All staff in educational establishments in South Lanarkshire Council receive an annual Child Protection update and are required to follow the advice and guidance contained within relevant Education Operating Procedures. They must also complete a mandatory Learn online Course "Child Protection in Education".

South Lanarkshire's children's services partnership works together to support children, young people, and their families so that children grow up in communities where they are safe, healthy, active, achieving, respected, responsible and included, and can achieve their full potential. They are committed to continuously improve our services to ensure children; young people and their families get the right support at the right time.

Sometimes children and young people need additional help to make sure that they are "*cared for and protected from abuse and harm in a safe environment in which their rights are respected*" (CPC South Lanarkshire Child Protection shared vision). The Child Protection Committee has the overarching responsibility to ensure that agencies individually and collectively work to protect children and young people as effectively as possible.

All staff have a responsibility to report any suspicions that a child has been abused or is at risk of harm, abuse, or neglect. Robust procedures and guidance are in place to support education staff to: -

- be alert to signs that a child may be experiencing risks to their wellbeing,
- report concerns to the head of establishment or the child protection coordinator without delay.
- be actively engaged in support and protection and development of wellbeing.

If you would like more information, or have a concern of a child protection nature, please contact the head of the educational establishment which your child attends.

The Child Protection Committee's website has a range of useful information for parents/carers to help them keep their children safe. www.childprotectionsouthlanarkshire.org.uk

Our Commitment to Children's Rights

In line with the United Nations Convention on the Rights of the Child (UNCRC), our school is committed to respecting and promoting every child's rights. We believe that children have the right to express their views on matters that affect them, and we will actively listen and take these views into account when making decisions.

To achieve this, we will:

- Create opportunities for pupils to share their opinions through class discussions, pupil councils, and consultation activities.
- Ensure that decisions about school policies and practices consider the voice of the child.
- Promote an inclusive, rights-respecting environment where every child feels valued and heard.

This approach supports our aim to empower learners, strengthen partnerships with families, and uphold equality and participation for all.

General Data Protection Regulation as supplemented by the Data Protection Act 2018 (GDPR)

Information on pupils, parents and guardians is held by the school to enable the teaching, registration, and assessment of pupils as well as associated administrative duties. The information is stored and used as per the requirements of the GDPR, with South Lanarkshire Council defined as the data controller. The Council have established a data protection policy that applies to all of its school.

Education Resources has also prepared a privacy notice (below) which sets out how we will deal with personal information as part of our statutory function as an education authority. For more information, please contact the school.

Privacy Notice

Introduction

In line with the General Data Protection Regulation (GDPR) we have produced this privacy notice to inform you how we deal with personal information as part of our statutory function as an education authority.

The Council has a legal obligation to deliver effective education services to children, young people, and adult learners in South Lanarkshire. In order to do this, we need to collect personal information about children, young people, and their families so that we can help them to learn and keep them safe.

Using your personal information

The Council is a “controller” of the personal information you provide when enrolling for a nursery or school, applying for an education service, or participating in groups or activities provided by Education Resources.

Information we collect from you about you and your child at enrolment.

When you enrol for a nursery or school, we ask for the following information:

parent/carer contact details (name, address, phone, email).

the child’s name, date of birth, gender, and address.

information about medical conditions, additional support needs, religion, and ethnicity.

any information you may wish to provide about family circumstances.

Information we collect at other times.

We will also collect information at other times such as when you apply for a benefit, request a services or other support. We will provide an additional privacy notice at these times.

If you apply for an education service or benefit, such as school transport, free school meals, clothing grant, placing request or EMA, we will also ask for personal information as set out above.

We will also ask for information about your income for education benefits applications.

If you make a request for additional support such as an educational psychologist or other support for learning, we will ask for more detailed information to allow us to provide the most appropriate support for your family. This may include information about family circumstances or medical conditions.

If there are concerns about your child’s wellbeing and/or your child has needs that may require additional support, we will wish to work with you to collect and consider information to enable us to help you get the right support at the right time in line with the Getting it right for every child approach.

We require this information to ensure that children and young people are educated appropriately, supported, and that we take account of their health and wellbeing. We will also ask you to update this information annually and to tell us when there are changes to your details.

Information that we collect from other sources.

As an education authority and as part of our statutory function in accordance with our legal obligations, we receive information from other sources such as the SQA, the NHS or Social Work about you or your child, this includes:

exam results and assessment information.

information about health, wellbeing, or child protection.

Why do we need this information?

We need this information so the Council can ensure it is delivering education services appropriately to all learners:

for the education of children, young people and adult learners.

for teaching, enrolment, and assessment purposes and to monitor the educational progress of children, young people and adult learners.

to keep children and young people safe and provide guidance services in school.

to identify where additional support is needed to help children, young people and adult learners with their learning.

to maintain records of attendance, absence and behaviour of children and young people (including exclusions).

to support children and young people moving on each year from nursery to primary, primary to secondary and when they move or leave school.

to help us develop and improve education services provided for young people, adult learners, or families

In accordance with our legitimate interests as an education authority we will also use your information to create statistical reports.

We will share your information with:

As an education authority and as part of our statutory function in accordance with our legal obligations we will share information with other bodies or parts of the Council, including:

The Scottish Government and bodies such as Education Scotland, Scottish Qualifications Authority, Skills Development Scotland, and other organisations that support children and young people's learning.

Other parts of the Council when required for services such as school meals, school transport, education benefits and with social work in connection with any child protection concerns we become aware of.

The NHS, to support health initiatives in accordance with the legal obligation on the Council in terms of section 39(3) of the National Health Service (Scotland) Act 1978.

South Lanarkshire Leisure and Culture Limited, where children and young people are participating in sports and leisure activities.

Other schools/local authorities – if a child moves or transfers to another school the Council has an obligation to pass on information with regards to pupil records to the new school/local authority.

You have the right to access your personal information as well as the rights of rectification, erasure, restriction, and the right to object. For information on these rights and how to exercise them or for information about how we manage your personal information, you can get a copy of our full privacy notice from our website:

(https://www.southlanarkshire.gov.uk/info/200235/meta/1730/general_privacy).

Our full privacy notice will also provide information on how to make a complaint or to request a paper copy of the privacy notice from the Data Protection Officer.

The Freedom of Information (Scotland) Act 2002

The Freedom of Information (Scotland) Act 2002 came into force on 1 January 2005 and gives a person the right to request information held by Scottish public authorities. The act refers to information held in a 'recordable' format and relates to information held within documents, not the documents themselves.

Parents wishing to make a request for information under the terms of the Freedom of Information (Scotland) Act 2002 should submit their request in writing to:

Freedom of Information Officer
Education Resources
South Lanarkshire Council
Council Offices, Almada Street,
Hamilton, ML3 0AA

Or email: foi.request@southlanarkshire.gov.uk

Requests for information can also be submitted using the online form available from the South Lanarkshire Council website (Request it section) (www.southlanarkshire.gov.uk)

Appendix A

For a comprehensive list of useful information, please visit the Council's website:
